The District also is increasingly involved in stream and watershed management throughout its service area, which is the 1,300 square miles of Santa Clara County. The District's customers are the nearly 1.7 million residents of the county, retail water agencies, and private and agricultural water users.</p> <p><b><i>Funding:</i></b> Primarily from three sources: a percentage of the countywide 1 percent ad valorem property tax, voter-approved benefit assessments, and water revenue.</p>	<p>Jim Fiedler                      Phone: (408) 265-2607                      ext.2736                      Beau Goldie                      Phone: (408) 265-2607                      ext.2634</p>
